

Ready to apply to RCA?

Step 1 ~ APPLICATION

Print off attached application form. Complete the application and send it, along with a \$50/family (non-refundable) application fee, to:

Reformation Classical Academy, 1501 E. Third St., Dayton, OH, 45403

Step 2 ~ INTERVIEW & ASSESSMENT

Reformation Classical Academy desires to partner with parents who seek a classical Christian education and who disciple their children according to a Biblical worldview. The family interview is an opportunity for parents to meet with the headmaster and learn more about RCA, and for us to learn more about your family.

Prior to the interview, an academic assessment is conducted as one means of gauging your child's aptitude and learning skills. This helps us discern potential strengths and weaknesses and his or her ability to thrive in a challenging academic setting.

You will be contacted to schedule the interview & assessment once your application has been submitted.

Step 3 ~ NOTIFICATION

Families will be notified concerning admission status promptly after the completion of the admissions process.

Step 4 ~ ENROLLMENT

Applicants receiving an offer of admission are invited to enroll within two weeks of receiving their notification. This will secure placement in the designated class. To do so, simply submit the enrollment fee (non-refundable), and you will officially become part of the RCA family!
